8. How can you (as the policyholder) change the insurance contract?

You can change your insurance contract at any time.

You can contact *the* Insurance Intermediary by telephone on +32 2 588 97 16 or by sending an email to contact@qoverme.com.

Please take the following into account:

1. If your details on the *policy schedule* change, you must notify us of such immediately.
2. We assess changes in the same manner as when applying for a new insurance contract. The change could result in an increase or decrease in the *premium*.
We reserve the right to not accept the change or terminate the insurance contract.

9. How is your insurance contract structured?

Your insurance contract consists of 2 parts:

1. The *general terms and conditions* (this document). These describe which damage is charged to us, which damage is excluded, and which are the mutual obligations of the parties.
2. The *policy schedule* are the terms and conditions that apply specifically to you. The *policy schedule* recorded shall take precedence over the *general terms and conditions*. You will receive this document at the time of conclusion, amendment, and annual renewal of the insurance contract.

10. What is the legal framework?

This insurance contract falls under the scope of the Insurance Act of 4 April 2014, the laws and Royal Decrees which apply to the insurance contract.

This insurance contract also falls within the scope of national and international regulations with regard to the (prohibition of) the provision of financial services. This legislation prohibits us from entering into agreements with or for the benefit of (legal) persons that appear on national and/or international lists (sanctions lists) because of their involvement in *terrorism*, money laundering or related crimes. We check this regularly. If within 10 days after the conclusion of the insurance contract it appears that you (the policyholder) are on a sanction list, then no valid insurance shall have been concluded. If your policyholder, insured person or a third party is on a sanction list during the term of the insurance contract, then this (legal) person will not be included in a *claim* or other services and no valid insurance shall have been concluded.

We present the legal provisions in a language that is as understandable as possible. If a statement in the insurance contract conflicts with the aforementioned legal provisions, the latter will apply.

11. When does your insurance contract start?

The insurance contract starts on the date and time included in your *policy schedule*.

The coverage applies even if your *bike* was delivered earlier than the agreed start date stated in your *policy schedule*.

The *main* expiry date of your contract remains the start date stated in your *policy schedule*.

12. What is the duration of this insurance contract?

The duration of this insurance contract is one year. The insurance contract is tacitly renewed, maximum twice, at the *main expiry date*. We will inform you about this a few weeks before the *main expiry date*. You will find the *main expiry date* in your *policy schedule*.

We insure the *bike* for a maximum of 3 years after the *first sale*. If you have purchased the *bike* second-hand, we cover the *bike* up to 3 years after the first owner purchased it.

After a maximum of two extensions and at the end of the third insurance year, this insurance contract ends. We will inform you by registered letter a few weeks before the cancellation. This way you are never insured for too long and the offer contained in this insurance is always adapted to your needs.

13. When can the insurance contract be cancelled?

Below you will find an overview of when the insurance contract can be terminated.

A. When can you (the policyholder) cancel the insurance contract?

3. You can cancel the insurance contract after a claim incident. You can do this at the latest 1 month after payment or upon the refusal to pay compensation. The insurance contract then ends 3 months after the date of notification. You must inform us of this by registered letter, by bailiff's writ or by issuing the cancellation letter against a receipt.
4. You can revoke the insurance contract within 14 calendar days after you have received the Policy Schedule, the general terms and conditions and the pre-contractual information. This is possible without having to provide any reason. The cancellation will take effect immediately upon notification. You must send the withdrawal form that you have received by email to contact@goverme.com.
5. You can also cancel the insurance contract if the insured *bike* has been stolen or destroyed beyond your control. The insurance contract ends when *You* notify us, in writing, that the *bike* has been irrevocably stolen or destroyed.

B. When can we cancel the insurance contract?

1. We can cancel the insurance contract in whole or in part by the *main expiry date*. We will notify you, by registered letter, at least 3 months before the main *expiry date* on which the cancellation commences, by bailiff's writ or by issuing the cancellation letter against a receipt. In the event of partial cancellation, you have the right to terminate the insurance contract as a whole/entirely on the main expiry date. To do this, you must notify us, in writing, at least 3 months before the due date by registered letter, by bailiff's writ or by issuing the cancellation letter against a receipt.
2. We can cancel the insurance contract in whole or in part after a *claim* and at the latest 1 (one) month after the payment or upon the refusal to pay the compensation. The cancellation then takes effect 3 (three) months after the date of notification.
3. We can terminate the insurance contract if the *premium* is not paid. If you do not pay the *premium*, we will send you a reminder. 5. We reserve the right to terminate the insurance contract within 14 calendar days after the insurance is taken out, with a notice period of eight (8) days.
6. We may cancel the insurance contract within 14 calendar after the insurance is taken out, if you have not sent us the pictures and serial number.

14. What happens to the insurance contract if you (the policyholder or insured person as a natural person) die?

The insurance contract is transferred to the entitled parties (the heirs).

Rightholders can:

1. Keep the contract;
2. Cancel the contract within 3 months and 40 days after the death. The insurance contract will then end 1 month after we received the notification. To do this, you must notify us, in writing, at least 3 months before the due date by registered letter, by bailiff's writ or by issuing the cancellation letter against a receipt.

15. What happens to my insurance if I sell the *insured bike* that is linked to the insurance contract?

If you decide to sell your *bike*, you must notify us.

After all, the *insurance contract* is not transferable (except in the event of death).

The insurance contract ends in accordance with the law from the moment of notification, we will reimburse you for the unused premium.

16. Can I have my insurance contract suspended?

3. If your *bike* is claimed, the insurance contract will be suspended only because the requesting government takes possession of the *bike*. You must notify us immediately.
4. If you no longer own the *bike* by your own will (for example, resale), you cannot have the insurance contract suspended due to the inseparable character or nature of the *bike* and this insurance contract. The insurance contract must be terminated if necessary. If necessary, you can take out this insurance again when purchasing a new *bike* from the reseller.

17. Are the insured amounts and the *premium* adjusted automatically?

For this insurance, the insured amounts and the *premium* are not indexed.

18. How is your *premium* calculated?

The *premium* (the detail of the composition can be found in your *Policy schedule*) depends on the insured value of the *bike* and the extent of your cover in accordance with the cover stated in your *policy schedule*.

Note: that if *you* are going to compare different insurance contracts, *you* will not only be able to compare the estimated costs and charges of the contracts, but *you* will also need to consider other elements such as the scope of cover, the amount of any Excess or the exclusion clauses.

The estimates provided in your *policy schedule* provide a better view of the premium portion used to cover the risk covered by the *insurance contract*.

After all, the balance of the premium, after deduction of taxes and contributions as well as acquisition and administration costs, consists of the part of the premium that is used to perform the contractually determined services and of the other costs not included in your *policy schedule* (including the aggregated and shared costs of claims and the management thereof). These estimates are from 17.10% for acquisition costs and 16.80% for administrative costs, calculated on the basis of the accounting data for the last financial year of the *insurance company*, as approved by its general meeting.

19. Where should your main residence be for this insurance?

You (the policyholder, as a natural or legal person) must be registered in Belgium to be able to take out this insurance.

This insurance ends as soon as you are no longer registered in this country.
